

Abstract

Kleiner Berg ganz gross: Der Üetliberg gehört zu Zürich wie das Sechseläuten und ist eines der beliebtesten Naherholungsgebiete der Region. Dieser Bildband zeigt die vielfältigen Gesichter des Zürcher Hausbergs im Spiegel der Jahreszeiten und erzählt Geschichten und Legenden rund um den Kulturberg.

Little big mountain. The Uetliberg mountain ridge is a part of Zurich life like the spring rite of Sechseläuten and is one of the region's most popular recreational areas. This illustrated book shows the many facets of Zurich's <Hausberg> (house mountain) in the mirror of the decades and tells some of the many tales and legends surrounding this part of the city's culture and nature.
