

**Atlas of Australian Resources**  
**Third Series**

**Volume 5**  
**GEOLOGY**  
and  
**MINERALS**

# Contents

<b>Geology</b> . . . . .	4
<b>Four billion years of rock formation</b> . . . . .	6
<b>A wandering continent</b> . . . . .	8
Map: Major world tectonic plates . . . . .	9
<b>The building blocks of a continent</b> . . . . .	10
Maps: Major Australian cratons . . . . .	10
Major physiographic regions . . . . .	10
Major structural elements . . . . .	11
<b>Surface rocks</b> . . . . .	12
Map: Surface rocks . . . . .	13
<b>Geology from space</b> . . . . .	14
<b>Archaean</b> . . . . .	15
<b>Proterozoic</b> . . . . .	15
<b>Palaeozoic</b> . . . . .	16
<b>Mesozoic</b> . . . . .	20
<b>Cainozoic</b> . . . . .	22

<b>Minerals</b> . . . . .	25
<b>Mineral resources</b> . . . . .	26
Map: Major mineral resources . . . . .	26
<b>The age of metals</b> . . . . .	29
<b>The age of fossil fuels</b> . . . . .	32
<b>Recent mineralisation</b> . . . . .	34
<b>Mineral industry</b> . . . . .	35
<b>Historical development</b> . . . . .	36
Map: Major mineral discoveries . . . . .	36
<b>Contribution to Australia's economy</b> . . . . .	38
<b>Major metals</b> . . . . .	40
Maps: Bauxite, alumina and aluminium, 1986 . . . . .	40
Copper, lead and zinc, 1986 . . . . .	42
Australian iron and steel industry, 1986 . . . . .	44
Nickel and tin, 1986 . . . . .	45
<b>Gold</b> . . . . .	46
Map: Gold, 1986 . . . . .	46
<b>Other metals</b> . . . . .	48
<b>Fuels</b> . . . . .	50
Maps: Black coal resources . . . . .	50
Australia's black coal exports, 1985-86 . . . . .	51
Oil and gas, 1986 . . . . .	52
<b>Gemstones</b> . . . . .	55
Map: Gemstones, 1986 . . . . .	55
<b>Building and construction materials</b> . . . . .	56
<b>Chemical and fertiliser minerals</b> . . . . .	56
<b>Other minerals</b> . . . . .	57
Map: Mineral sands, 1986 . . . . .	57
<b>References and further reading</b> . . . . .	59
<b>Photograph and diagram acknowledgements</b> . . . . .	60

**Folded 1:5 million scale maps inside back cover**

- Fuels
- Geology
- Minerals other than fuels
