# Contents

<b>Australian vegetation</b> . . . . .	5
<b>Introduction</b> . . . . .	6
Maps: Australia's vegetation in the 1780s . . . . .	6
Australia's vegetation in the 1980s . . . . .	7
<b>Influences on vegetation</b> . . . . .	8
Maps: Seasonal vegetation change . . . . .	8
Major floristic types . . . . .	9
<b>Classifying Australia's vegetation</b> . . . . .	10
<b>Mapping a continent's vegetation</b> . . . . .	12
<b>Australia's plant symbols</b> . . . . .	14
Maps: Eucalypts . . . . .	14
Acacias . . . . .	15

<b>The variety of vegetation types</b> . . . . .	17
<b>Tall trees</b> . . . . .	18
Map: Tall open forest . . . . .	19
<b>Medium trees</b> . . . . .	20
Maps: Rainforest . . . . .	20
Moist tropical forest . . . . .	21
Australia's tropical World Heritage rainforest . . . . .	21
Open forest . . . . .	22
Woodland . . . . .	24
Open woodland . . . . .	26
<b>Low trees</b> . . . . .	28
Maps: Low closed forest . . . . .	28
Low open forest . . . . .	29
Low woodland . . . . .	30
Low open woodland . . . . .	32
<b>Tall shrubs</b> . . . . .	34
Maps: Open scrub . . . . .	34
Tall shrubland . . . . .	35
Mallee . . . . .	36
Mulga . . . . .	37
Tall open shrubland . . . . .	38
<b>Low shrubs</b> . . . . .	40
Maps: Heath . . . . .	40
Low shrubland . . . . .	41
Chenopod shrubland . . . . .	42
Low open shrubland . . . . .	43
<b>Grasses and graminoids</b> . . . . .	44
Maps: Spinifex . . . . .	44
Grasslands . . . . .	45
Mitchell grass . . . . .	46
<b>Other herbaceous plants</b> . . . . .	48
Maps: Introduced pastures . . . . .	48
Pasture and herbfield . . . . .	49
<b>Other vegetation</b> . . . . .	50

<b>200 years of change</b> . . . . .	53
<b>Major vegetation change</b> . . . . .	54
Maps: Vegetation clearance . . . . .	54
Major vegetation changes . . . . .	55
<b>Forest change</b> . . . . .	56
Maps: Brigalow . . . . .	56
Plantation forests . . . . .	57
Dieback . . . . .	57
<b>Woodland change</b> . . . . .	58
<b>Shrubland change</b> . . . . .	59
Map: Livestock and rabbits . . . . .	59
<b>The new vegetation</b> . . . . .	60
Map: Grass cover . . . . .	61
<b>Index of common names</b> . . . . .	62
<b>References and further reading</b> . . . . .	63
<b>Acknowledgements</b> . . . . .	64
<b>Folded 1:5 million scale maps inside back cover</b>
