

Atlas of Thailand

Spatial structures
and development

Under the direction of
Doryane Kermel-Torrès

ETH-Bibliothek Zürich
Kartensammlung

SILKWORM BOOKS

Director

Doryane KERMEL-TORRÈS, geographer
(IRD, Research Unit Public Intervention, Spaces, Societies, and REGARDS; Bordeaux)

Authors

Jean BAFFIE, sociologist
(CNRS, and University of Provence, Research Institute on South-East Asia; Marseille)

Suchanya BOONVANNO, geographer
(Prince of Songkhla University, Faculty of Natural Resources; Hat Yai)

Michel BRUNEAU, geographer
(CNRS, and University of Bordeaux 3, Research Unit MITI-International Migrations, Territories, Identities; Bordeaux)

Eric CHARMES, urbanist
(IFU-French Institute of Urban Studies; Marne-la-Vallée)

Jean-Paul DELER, geographer
(CNRS, REGARDS; Bordeaux)

Steve DÉRY, geographer
(Laval University, Department of Geography; Quebec)

Manuelle FRANCK, geographer
(INALCO- National Institute of Oriental Languages and Civilizations; Paris)

Jean-Paul HUBERT, geographer
(Namur University, Transport Research Group, Department of Mathematics; Namur)

Antoine LAUGINIE, geographer
(Ph.D, University of Paris 7; Paris)

Charat MONGKOLSAWAT, remote sensing expert
(Khon Kaen University, Centre of Geoinformatics for the Development of North-East; Khon Kaen)

Philippe SCHAR, geographer
(CNRS, REGARDS; Bordeaux)

Collaborators

Charles-Antoine ARNAUD, Synthesis statistical analysis
(CNRS, REGARDS; Bordeaux)

Marie-Bernadette DARIGNAC, Text composition and lay-out
(CNRS, REGARDS; Bordeaux)

Hilary KOZIOL, English translation

Aimée LAFITTE, Graphic design and map drawing
(CNRS, REGARDS; Bordeaux)

Alain VERGNES, photo processing
(CNRS, REGARDS; Bordeaux)

CNRS: French National Center of Scientific Research
IRD: French Institute of Research for Development
REGARDS: Research in Economy, Geography, Anthropology on Changes and Development in the South
(Joint Research Unit under the CNRS and the IRD)

Contents

<p>Introduction 9 Doryane Kermel-Torrès</p> <p>Chapter 1 - Situations of the territory 13 Doryane Kermel-Torrès, Jean-Paul Deler, Jean-Paul Hubert</p> <p><i>Changes in altitudes and landscapes (photos)</i> 15</p> <p>Plate 1 - Economic relations and integration 17</p> <p>Plate 2 - Foreign and Thai travelers 19</p> <p>Plate 3 - International out-migrations and flights 21</p> <p>Plate 4 - Population and human development in Eastern Asia 23</p> <p>Plate 5 - Eastern Asian regional integration and production 25</p> <p>Plate 6 - Networks in Eastern Asia 27</p> <p>Plate 7 - Relief and hydrographical system 29</p> <p>Plate 8 - Environment and natural resources 31</p> <p>Plate 9 - Provinces and their centers 33</p> <p>Chapter 2 – Population 35 Manuelle Franck, Jean Baffie, Michel Bruneau</p> <p><i>Maintaining religious and family ties (photos)</i> 37</p> <p>Plate 10 - Main ethno-linguistic groups 39</p> <p>Plate 11 - Religions 41</p> <p>Plate 12 - Islam and Christianity 43</p> <p>Plate 13 - Population distribution and growth 45</p> <p>Plate 14 - Demographic characteristics 47</p> <p>Plate 15 - Rural and urban population 49</p> <p>Plate 16 - Municipalities 51</p> <p>Plate 17 - Inter-regional migrations 53</p> <p>Plate 18 - Importance of migrations in the provinces 55</p> <p>Plate 19 - Population distribution and demographic features 57</p> <p>Chapter 3 - The state and the construction of the territory 59 Doryane Kermel-Torrès, Antoine Lauginie, Michel Bruneau, Steve Déry</p> <p><i>Elements of territorial administration (photos)</i> 61</p> <p>Plate 20 - Changes in boundaries and frontiers (18th-20th century) 63</p> <p>Plate 21 - Formation of the nation-state territory 65</p> <p>Plate 22 - Territorial administration 67</p> <p>Plate 23 - Deforestation 69</p> <p>Plate 24 - Transportation networks 71</p> <p>Plate 25 - Energy infrastructure and networks 73</p>	<p>Plate 26 - Investment promotion incentives 75</p> <p>Plate 27 - Schools and health facilities 77</p> <p>Plate 28 - Postal and telecommunications infrastructure 79</p> <p>Plate 29 - Water and electricity supply 81</p> <p>Chapter 4 – Agriculture 83 Philippe Schar</p> <p><i>Innovation and diversification in agriculture (photos)</i> 85</p> <p>Plate 30 - Agricultural households and product 87</p> <p>Plate 31 - Land utilization 89</p> <p>Plate 32 - Irrigation 91</p> <p>Plate 33 - Rice 93</p> <p>Plate 34 - Sugar cane 95</p> <p>Plate 35 - Cassava 97</p> <p>Plate 36 - Rubber 99</p> <p>Plate 37 - Other crops 101</p> <p>Plate 38 - Recent breeding and shrimp farming activities 103</p> <p>Plate 39 - Agricultural specialization and socio-economic features 105</p> <p>Chapter 5 - Industry 107 Doryane Kermel-Torrès</p> <p><i>Contrasts in the industrial structure (photos)</i> 109</p> <p>Plate 40 - Industrial product 111</p> <p>Plate 41 - Size of establishments 113</p> <p>Plate 42 - Employment in establishments 115</p> <p>Plate 43 - Enterprises under the Board of Investment 117</p> <p>Plate 44 - Agro-based industries 119</p> <p>Plate 45 - Textiles and wearing apparel 121</p> <p>Plate 46 - Electrical and non-electrical machinery 123</p> <p>Plate 47 - Chemistry and plastic 125</p> <p>Plate 48 - Other industries 127</p> <p>Plate 49 - Industrial specialization 129</p> <p>Chapter 6 - Tertiary sector 131 Doryane Kermel-Torrès, Jean-Paul Hubert, Manuelle Franck</p> <p><i>The range of services to the population (photos)</i> 133</p> <p>Plate 50 - Product of tertiary sector 135</p> <p>Plate 51 - Employment in four tertiary sub-sectors 137</p> <p>Plate 52 - Hotel trade 139</p> <p>Plate 53 - Main tourist destinations 141</p>
