Bibliography	XV
Abbreviations	XLV
Introduction	1
Part I	
Tackling Conglomerates	5
Chapter 1	
The Phenomenon of Financial Conglomeration	7
§ 1. Background	9
I. The Concept of Conglomeration	9
1. Generic Definition	9
2. Underlying Financial System Conception	10
II. Universal Banking and Functional Banking Regimes	11
III. The Parent Concept of "Allfinanz"	13
1. Idea of Allfinanz	13
2. Bancassurance, Assurbanque, and Assurfinance	14
§ 2. Conglomerates as Groups of Companies: Corporate Structure Models	16
I. A Matter of Choice	16
II. Models	17
1. Integrated Model	17
2. Parent-Subsidiary Model	19
3. Holding Company Model	21
4. Horizontal Group Model	23
§ 3. Development of Financial Conglomeration	25
I. Motives	25
1. General Background	25
2. Economic and Regulatory Motivations	26
3. Practical Incentives	27
II. Trends	27
1. Forces towards Conglomeration	27
2. Conglomeration in Switzerland	29
3. Conglomeration in the European Union	31
a. M&A activities of the 1990s	31
b. Conglomerates' Structure	31
c. Facts and Figures	33
d. Concerns	35
III. Financial Conglomeration and Financial Crises	35
1. In General	35
2. Impact of the 2007–2008 Financial Crisis	36
3. Outlook	38
Chapter 2	
Supervisory Issues	41
§ 1. Rationale for Regulating Financial Conglomerates	43
I. Issue	43
II. Potential Problems	44

1. Double Gearing or Excessive Leveraging	44
2. Contagion	44
3. Lack of Transparency	45
4. Conflicts of Interest	46
5. Systemic Risks	46
III. Sector-based Differences and Common Characteristics	47
1. Differences	47
a. Banking and Securities Dealing	47
b. Banking and Insurance	48
2. Common Characteristics	51
a. Fitness and Propriety Tests	51
b. Risk Management	52
3. Assessment	53
§ 2. Supervisory Answers	54
I. Types of Supervision	54
1. Stand-alone or Solo-Basis Supervision	54
2. Supervision of Homogenous Financial Groups	55
3. Supervision of Financial Conglomerates	56
4. Mixed-Activities Groups	56
II. Boundaries to Financial Conglomeration	57
1. Generalities	57
2. Limits Imposed in the Banking Sector	58
a. Secondary Business Activities	58
b. Equity Holdings	59
c. Technical Skills and Appropriate Organisation	60
3. Limits Imposed in the Insurance Sector	61
a. Secondary Business	61
b. Equity Holdings	63
4. Comparative Perspective: Situation in the European Union	64

Chapter 3

Defining Financial Groups and Conglomerates	67
§ 1. Background	69
§ 2. Underlying Notions	71
I. Notion of "Enterprise"	71
II. Notion of "Group" in Financial Law	71
1. A Definition Oriented towards Economic Reality	71
2. Economic Unity	73
a. "More than half of the voting rights or capital"	73
b. Controlling Influence and Control	74
3. Obligation to Provide Assistance	78
a. A Banking Speciality?	78
b. Legal Obligation to Provide Assistance	79
c. Factual Obligation to Provide Assistance	80
§ 3. "Financial Group"	82
I. Definition	82
II. Presence of a Bank or a Securities Dealer	82
1. Bank	83
2. Securities Dealer	85
III. Primary Activity in the Financial Sector	87
1. Financial Sector	87
2. Primary Activity	88
3. Financial Companies	90
§ 4. "Financial Conglomerate"	93
I. Definition	93
II. Supplementary Presence of an Insurance Company	94

III. Considerable Economic Importance	95
§ 5. "Insurance Group"	97
§ 6. "Insurance Conglomerate"	98

Part II

Supervisory Fundamentals 99

Chapter 4

International Developments	101
§ 1. Preliminary Note	103
§ 2. Basel Committee on Banking Supervision	104
I. General Remarks	104
II. Standards for Effective Consolidated Supervision	106
1. Basel Concordat of 1975	106
2. Basel Concordat of 1983	108
3. Minimum Standards	110
4. Basel Core Principles and Core Methodology	111
III. Standards for Sensible Minimum Capital Requirements	114
1. Basel Capital Accord of 1988	114
2. Basel II	116
a. Contents	116
b. Purpose	118
c. Scope of Consolidation	119
d. Adoption of the framework at National Level	122
IV. Standards for Supervisory Cooperation and Coordination	122
1. Implications of Basel II	122
2. High-level Principles	123
3. Other Cross-border Aspects of Basel II	124
§ 3. Tripartite Group & Joint Forum	125
I. Tripartite Group of Banks, Securities and Insurance Regulators	125
II. Joint Forum	127
1. General Remarks	127
2. Joint Forum Report	128
3. Papers on Intra-Group Exposures and Risk Concentration	133
4. Other Publications	134
§ 4. International Association of Insurance Supervisors	137
I. Generalities	137
II. Principles	138
1. Nature and Purpose	138
2. Insurance Concordat, December 1999	138
3. Insurance Core Principles and Methodology, October 2003	139
4. Principles on Capital Adequacy and Solvency, January 2002	140
5. Principles on Group-Wide Supervision, October 2008	140
III. Standards	142
1. Nature and Purpose	142
2. Supervisory Standard on Group Coordination, October 2000	142
3. Supervisory Standard on the Exchange of Information, January 2002	143
IV. Guidance Papers	144
V. Overarching Standards Setting Papers	145
§ 5. International Organisation of Securities Commissions	147
§ 6. Synthesis	149
§ 7. Drawing Lessons from the Banking Crisis	150
I. Background	150

II. Regulatory Revisions under the Authority of the G20	151
1. The Washington Summit of November 2008	151
2. The London Summit of April 2009	152
3. The Pittsburgh Summit of September 2009	152
4. The Work of the Financial Stability Forum	153
5. BCBS: Reforming Basel II and Beyond	156
6. The IAIS and the Insurance Sector	157
III. Further Steps and Caveat	158
Chapter 5	
From Consolidated Supervision to Conglomerate-Wide Supervision	159
§ 1. Concepts	161
I. Consolidation and Consolidated Supervision	161
II. General Principles of Consolidated Supervision	162
1. Abstract Definition	162
2. Contents of Consolidated Supervision	163
3. Notion of Effective Consolidated Supervision	164
III. Consolidation, Consolidated Supervision and Group-wide or Conglomerate-wide Supervision	165
§ 2. Historical Background	167
I. Generalities	167
II. Consolidated Supervision of Banking Groups	167
1. Accounting and Capital Adequacy	167
2. Consolidated Risk Supervision	169
3. Economic Unity	171
a. Supervisory Observations	171
b. Banking Law	171
c. Company Law	172
d. <i>De facto</i> Obligation to Provide Assistance	173
4. Scope of Consolidation under the Legislation of 1980	175
III. Consolidated Supervision of Insurance Groups	176
IV. Towards Conglomerate-Wide Supervision	178
1. Credit Suisse Holding: The Rationale for Conglomerate-Wide Supervision	178
a. Background	178
b. Supervisory Intervention	179
c. Implications	179
2. Credit Suisse Group: The Solo-Plus Supervision	180
3. Zurich Financial Services: A Pilot Project for Conglomerate-wide Supervision	182
§ 3. Towards the Current Regulatory Framework	184
I. Former Supervisory Practice's Shortcomings	184
II. European Union's Endeavours	186
III. Swiss Regulatory Developments	187
Chapter 6	
Supervisory System for Monitoring Groups and Conglomerates	191
§ 1. Regulatory Framework	193
I. Overview	193
1. Concept	193
2. Banking Law	193
a. Banking Act	193
b. Banking Ordinance	194
c. Banking-Related Circulars and Guidelines	195
3. Insurance Law	195
a. Insurance Supervision Act	195
b. Insurance Supervision Ordinance	196

c. Insurance-Related Circulars and Guidelines	196
4. Securities Law	197
II. Regulatory Aims	197
1. Primary Aims	197
2. Secondary Aims	198
3. Schematic View	199
§ 2. Scope of Supervision of Groups and Conglomerates	200
I. Material Scope	200
1. Approach	200
2. Personal Scope	200
a. Principle	200
b. Implementation	202
3. Responsible Entity	205
II. Contents of Supervision	206
III. Temporal Scope	207
1. Entry into Force	207
2. Entry Points	207
IV. Geographical Scope	209
1. Principle	209
2. Implementation	210
3. Sharing of Powers	212
§ 3. Exercise of Group and Conglomerate Supervision	213
I. Background	213
II. Supervisory Discretion	213
1. Principle	213
2. Implementation	214
a. Methodology	214
b. Principle of Proportionality	215
c. Prohibition of Arbitrariness	216
III. Adequate Consolidated Supervision	217
IV. Placement of a Group or Conglomerate under Swiss Lead Supervision	219

Part III

Material Requirements 223

Chapter 7

Quantitative Requirements 225

§ 1. Preliminary Remarks	227
§ 2. Consolidated Financial Statements	228
I. Obligation to Prepare Consolidated Financial Statements	228
1. In Banking Law	228
a. Principle	228
b. Exemptions	229
c. Consolidation Methods	231
2. In Insurance Law	232
II. International Developments	233
§ 3. Capital Adequacy	236
I. Issue	236
1. Basics	236
a. Role of Capital	236
b. Legal Basis	237
II. Banking Law's Capital Adequacy System <i>versus</i> Insurance Law's Solvency System	239
1. Banking Capital Requirements	240

a. System	240
b. Consolidated Capital Adequacy Requirements	241
2. Insurance Solvency Margin System	243
a. System	243
b. Consolidated Solvency Requirements	244
3. Dealing with Conglomerates	245
a. Concern	245
b. Roadmap	246
III. International Recommendations	248
1. Joint Forum	248
a. Building-Block Prudential Approach	248
b. Risk-Based Aggregation Method	249
c. Risk-Based Deduction Method	249
d. Total-Deduction Method	250
2. Basel II	251
a. General Remarks	251
b. Treatment of Investments in Financial Entities	251
c. Treatment of Investments in Insurance Undertakings	251
d. Treatment of Investments in Commercial Companies	252
3. European Union	253
a. Accounting Consolidation Method	253
b. Deduction and Aggregation Method	253
c. Book Value / Requirement Deduction Method	254
IV. Regulatory Answer for Insurance Conglomerates	255
1. Solvency I: Building-Block Prudential Approach	255
a. Principle	255
b. Available Solvency Margin	258
c. Required Solvency Margin	259
2. Swiss Solvency Test	263
a. Principle	263
b. Internal Models	264
c. Solvency Requirements	268
3. Control and Reporting on Solvency	269
V. Regulatory Answer for Financial Conglomerates	274
1. Approach	274
2. Consolidation of Financial Entities	276
a. Scope of Consolidation	276
b. Consolidation Method	279
c. Exemptions	280
3. Taking Insurance Entities into Account	281
a. "Total Deduction" Method	282
b. Conglomerate-Wide Complementary Approaches	283
4. Deductions at the Level of the Parent Entity	285
a. Interests in Financial or Real Estate Companies	286
b. Insurance Interests	287
c. Commercial or Industrial Interests	288
5. Control and Reporting	288
a. Control	288
b. Reporting	289
§ 4. Liquidity Requirements	290
I. Issue	290
1. Importance of Liquidity Prescriptions	290
2. Group-wide Liquidity Management	291
II. International Recommendations	293
III. Regulatory Answer	295
1. For Insurance Groups and Conglomerates	295
2. For Financial Groups and Conglomerates	295

	a. Scope of consolidation	295
	b. Application of Liquidity Prescriptions at the Level of the Group	296
	c. Control and Reporting	296
§ 5.	Intra-Group Transactions and Risk Concentration	297
I.	Intra-Group Transactions	297
	1. Issue	297
	a. Definition	297
	b. Motives and Risks	298
	2. International Recommendations	300
	3. Regulatory Answers	301
	a. Legal Basis	301
	b. "Important" Internal Transactions	302
	c. Insurance Groups and Conglomerates	302
	d. Financial Groups and Conglomerates	304
	e. Intra-Group Transactions as a focus of Risk Management Practices	309
	4. Appraisal	309
II.	Risk Concentrations	311
	1. Issue	311
	2. International Recommendations	312
	3. Regulatory Answers	313
	a. Obligation to Fulfil Risk Diversification Requirements at the Level of the Conglomerate	313
	b. Risk Aggregation	314
	c. Reporting	314
	d. Limitations and Supervisory Intervention	316
	e. Risk Concentrations as a Focus of Risk Management Practices	317
§ 6.	Drawing Lessons from the Crisis	320
	1. Financial Crisis, Large Banks, and the Debate around Capital Adequacy	320
	a. Measures for Financial System's Reinforcement	320
	b. Capital Adequacy Reform	321
	c. Insurance Solvency Requirements Reform	323
	2. Liquidity Prescriptions Reform	323

Chapter 8

	Qualitative Requirements	327
§ 1.	Adequate Group Organisation	329
	I. Issue	329
	II. Regulatory Answers	331
	1. Legal Basis	331
	2. Conglomerate's Business Organisation	332
	a. Corporate Governance in Financial and Insurance Groups	332
	b. Organisational Requirements "At the level of the Group or the Conglomerate"	333
	c. Separation of Powers	337
	d. Fitness and Propriety	339
	3. Structure of the Group or Conglomerate	343
	4. Risk Management and Internal Control at the Level of the Group or Conglomerate	343
	a. Risk Management Processes and Internal Control System	343
	b. Internal Audit	345
	c. Audit Committee	346
§ 2.	Reporting on the Organisation	348
	I. In Banking Law	348
	1. Group-wide Reporting	348
	2. Banking Subsidiaries' Reporting	350
	II. In Insurance Law	351

1. Group-wide Reporting	351
2. Insurance Subsidiaries' Reporting	354
3. Swiss Quality Assessment	355
4. Supervisory Search for Information	356
§ 3. Drawing Lessons from the Crisis	357
I. Refining Risk Management Processes	357
II. Upgrading Fitness and Propriety Tests	358
Part IV	
Supervisory Issues	361
Chapter 9	
Formal Supervision	363
§ 1. Preliminary Remarks	365
§ 2. Lead Supervisor and Cooperation	366
I. Issue	366
II. International Recommendations	367
III. Reforms within the European Union	368
IV. Reforms in Switzerland	370
§ 3. "Too-Big-to-Fail" – Breaking-up Large Banks, Groups and Conglomerates ?	371
I. Issue	371
II. International Discussions	371
III. Switzerland	373
Chapter 10	
Outlook	375
