

Atlas of
Cultural and
Environmental Change
in Arid Africa

Edited by

Olaf Bubenzer, Andreas Bolten & Frank Darius

Content

Rudolph Kuper, Wilhelm Möhlig, Michael Bollig & Olaf Bubenzer
Environmental change and cultural history
in northeastern and southwestern Africa8

Werner Schuck
ACACIA – central administration and coordination12

Reconstructing environment and human occupation

Olaf Bubenzer & Mathias Ritter
From hyperarid to semiarid – actual climatic conditions
in northeastern and southwestern Africa18

Andreas Bolten
From space to earth –
use of satellite data in ACACIA20

Andreas Bolten & Olaf Bubenzer
Watershed analysis in the Western Desert of Egypt.....22

Rudolph Kuper
‘Looking behind the scenes’ – archaeological
distribution patterns and their meaning24

Karin Kindermann & Olaf Bubenzer
Djara – humans and their environment on the
Egyptian limestone plateau around 8,000 years ago26
