Diminishing surface water resources 113 6.4. Water, source of tension 114 6.5. Experiences in joint management 116 6.6. Conclusion 120 Sources and bibliography 122 Chapter 7. Transport 125 7.1. General survey of West African transport systems 125 7.2. The creation of a regional road network 127 7.3. On West African roads 129		
Chapter 3. Languages 57 3.1. West Africa in the African linguistic landscape 57 3.2. West African diversity. 58 3.3. Lingua francas or common languages 60 3.4. Conclusions with respect to the regional integration process 63 Sources and bibliography 65 Chapter 4. Migration 67 4.1. International migration overview: A global view to the African level 67 4.2. West African migration dynamics. 70 4.3. Some issues for the future 76 4.4. What are the prospects? 82 Glossary 84 Sources and bibliography 85 Part II. TERRITORIES Chapter 5. Rural Areas and Agricultural Changes 89 5.1. Changes in the rural environment 90 5.2. Rural economy and agricultural economy 95 5.3. Some challenges for the future 99 5.4. Conclusion 104 Sources and bibliography 105 Chapter 6. Transboundary River Basins 109 6.1. Regional water resources interdependence 109 6.2. Generally under-exploited resources 112 6.3. Diminishing surface water resources 113 6.4. Water, source of tension 114 6.5. Experiences in joint management 116 6.6. Conclusion 120 Sources and bibliography 122 Chapter 7. Transport 125 7.1. General survey of West African transport systems 125 7.2. The creation of a regional road network 127 7.3. On West African roads 129		
3.1. West Africa in the African linguistic landscape 3.2. West African diversity. 3.3. Lingua francas or common languages 3.4. Conclusions with respect to the regional integration process 6.3.4. Conclusions with respect to the regional integration process Sources and bibliography. 6.5 Chapter 4. Migration 6.7 4.1. International migration overview: A global view to the African level 6.7 4.2. West African migration dynamics. 7.0 4.3. Some issues for the future. 7.6 4.4. What are the prospects? 82 Glossary 84 Sources and bibliography. 85 Part II. TERRITORIES Chapter 5. Rural Areas and Agricultural Changes 5.1. Changes in the rural environment 90 5.2. Rural economy and agricultural economy 5.3. Some challenges for the future 95 5.4. Conclusion 104 Sources and bibliography. 105 Chapter 6. Transboundary River Basins 6.1. Regional water resources interdependence 109 6.2. Generally under-exploited resources 112 6.3. Diminishing surface water resources 113 6.4. Water, source of tension 114 6.5. Experiences in joint management 116 6.6. Conclusion 117 Sources and bibliography 122 Chapter 7. Transport 125 7.1. General survey of West African transport systems 125 7.2. The creation of a regional road network 127 7.3. On West African roads		
3.2. West African diversity. 3.3. Lingua francas or common languages 3.4. Conclusions with respect to the regional integration process Sources and bibliography. 55 Chapter 4. Migration 4.1. International migration overview: A global view to the African level 4.2. West African migration dynamics. 70 4.3. Some issues for the future 76 4.4. What are the prospects? 82 Glossary 83 Sources and bibliography. 85 Part II. TERRITORIES Chapter 5. Rural Areas and Agricultural Changes 5.1. Changes in the rural environment 90 5.2. Rural economy and agricultural economy 95 5.3. Some challenges for the future 99 5.4. Conclusion 104 Sources and bibliography 105 Chapter 6. Transboundary River Basins 6.1. Regional water resources interdependence 109 6.2. Generally under-exploited resources 112 6.3. Diminishing surface water resources 113 6.4. Water, source of tension 16.5. Experiences in joint management 16.6. Conclusion Sources and bibliography 122 Chapter 7. Transport 7.1. General survey of West African transport systems 125 7.2. The creation of a regional road network 127 7.3. On West African roads		
3.3. Lingua francas or common languages 3.4. Conclusions with respect to the regional integration process Sources and bibliography 5. Chapter 4. Migration 4.1. International migration overview: A global view to the African level 5. West African migration dynamics 7. 4.2. West African migration dynamics 7. 7. 4.3. Some issues for the future 7. 4.4. What are the prospects? 82. Glossary 83. Sources and bibliography 85. Part II. TERRITORIES Chapter 5. Rural Areas and Agricultural Changes 5.1. Changes in the rural environment 90. 2. Rural economy and agricultural economy 95. 3. Some challenges for the future 99. 5.4. Conclusion 104. Sources and bibliography 61. Regional water resources interdependence 109. 62. Generally under-exploited resources 112. 63. Diminishing surface water resources 113. 64. Water, source of tension 114. 65. Experiences in joint management 116. 66. Conclusion 117. General survey of West African transport systems 127. The creation of a regional road network 129. The creation of a regional road network 129. The creation of a regional road network 129. The creation of a regional road server.		
3.4. Conclusions with respect to the regional integration process Sources and bibliography. Chapter 4. Migration 4.1. International migration overview: A global view to the African level 4.2. West African migration dynamics. 7.0 4.3. Some issues for the future. 7.4. What are the prospects? 82. Glossary. 83. Sources and bibliography. 85. Part II. TERRITORIES Chapter 5. Rural Areas and Agricultural Changes. 89. 5.1. Changes in the rural environment. 90. 5.2. Rural economy and agricultural economy. 5.3. Some challenges for the future. 99. 5.4. Conclusion. 50. Aconclusion. 104. Sources and bibliography. 105. Chapter 6. Transboundary River Basins. 6.1. Regional water resources interdependence. 6.2. Generally under-exploited resources. 6.3. Diminishing surface water resources. 6.4. Water, source of tension. 6.5. Experiences in joint management. 6.6. Conclusion. Sources and bibliography. 102. Chapter 7. Transport. 7.1. General survey of West African transport systems. 125. 7.2. The creation of a regional road network. 7.3. On West African roads.
