
THE SOCIAL ATLAS OF EUROPE

DIMITRIS BALLAS, DANNY DORLING AND BENJAMIN HENNIG

CONTENTS

ACKNOWLEDGEMENTS

GLOSSARY OF TERMS AND ABBREVIATIONS

1. INTRODUCTION

A new way of looking at Europe	
The countries represented in this atlas	
The maps	
How to identify the countries	
Land area map of Europe	
Table of European states included in this atlas	
Population cartogram of Europe	
Gridded-population cartogram of Europe	
Gridded-population cartogram representation of the topography of Europe	
Europe's 'Big Freeze'	
Monthly precipitation in Europe – population cartograms	
Monthly precipitation in Europe – land area maps	
Annual precipitation in Europe	

2. IDENTITY AND CULTURE

Can the death penalty be justified?	
How important is religion in your life?	
Do you believe in life after death?	
How important is politics in your life?	
How important in life is leisure time?	

VIII	How important in life is work?	21
	How important in life is family?	22
IX	How important in life are friends and acquaintances?	23
	Which geographic group do you feel you belong to most?	24
1	Are you afraid of losing your national identity/culture?	25
2	Taking all things together, how happy are you?	26
2	How satisfied are you with your life?	27
3	Is competition good for people?	28
3	Roma people	29
4	Total votes received, Eurovision Song Contest 2013	30
5	Total votes given to Denmark, Eurovision Song Contest 2013	31
6	Total votes given to Greece, Eurovision Song Contest 2013	31
8	Total votes given to Germany, Eurovision Song Contest 2013	31
10	Total votes given to the UK, Eurovision Song Contest 2013	31
11	3. DEMOGRAPHICS	33
12	Distribution of the European population by age and sex	34
13	Population aged 15–65 as a percentage of total population, by region	40
14	Population aged 0–15 as a percentage of total population, by region	41
	Population aged 65 and over as a percentage of total population, by region	42
16	Male:female ratio, by region	43
17	Population born outside the country of residence, 2010	44
18	Population born outside the country of residence, increase 2000–10	45
19	Population born outside the country of residence, decline 2000–10	46
20		

4. EDUCATION

Population that has never had any formal school education	48
Population with, at most, primary educational attainment	49
Population with, at most, secondary educational attainment	50
Population with tertiary educational attainment	51
Student mobility: numbers of incoming students	52
Student mobility: numbers of outgoing students	53
Total number of students in tertiary education (ISCED levels 5 and 6), as a percentage of the population aged 20–24 years, by NUTS 2 regions, 2010	54
People aged 25–64 years with tertiary educational (ISCED levels 5 and 6) attainment, by NUTS 2 regions, 2010	55
Participation rates of 4-year-olds in pre-primary and primary education (ISCED levels 0 and 1), by NUTS 2 regions, 2010	56
Early leavers from education and training, by NUTS 2 regions, 2010	57

5. EMPLOYMENT

Economically active female population	60
Numbers of unemployed people	61
Youth unemployment	62
Numbers of unemployed people: increase between 2007 and 2012	63
Numbers of unemployed people: decline between 2007 and 2012	64
Youth unemployment: increase between 2007 and 2012	65
Youth unemployment: decline between 2007 and 2012	66
Economically active female population by region	67
Unemployment by region	68
Unemployment rates by region: change between 2007 and 2012	69
Employment in high-technology sectors (% of total employment), 2008	70

6. INDUSTRY AND OCCUPATION

People working in agriculture	72
People working in industry	73
People working in services	74
Managers	75
Professionals	76
Technicians and associate professionals	77
Clerical support workers	78
Service and sales workers	79
Skilled agricultural, forestry and fishery workers	80
Craft and related trades workers	81
Plant and machine operators and assemblers	82
Elementary occupations	83
Share of agriculture in the economy, by NUTS 2 regions, 2010	84
Employment in the industrial economy, by NUTS 2 regions, 2010	85
Employment in construction, by NUTS 2 regions, 2010	86
Employment in the non-financial services economy, by NUTS 2 regions, 2010	87
Regional business concentration, by NUTS 2 regions, 2010	88

7. HEALTH

Female life expectancy at birth, 2007	90
Male life expectancy at birth, 2007	91
Maternal mortality ratio	92
Age-standardised mortality rate (ages 30–70) – all causes	93
Cardiovascular disease and diabetes	94
Chronic respiratory conditions	95
Age-standardised mortality rate by cancer (ages 30–70)	96
Deaths due to cancer (regional level)	97
Deaths due to breast cancer (regional level)	98
Deaths due to prostate cancer (regional level)	99

Number of doctors	100	Market capitalisation of listed domestic companies on national stock exchanges, 2012	127
Number of practising physicians (per 100,000 inhabitants) by nuts 2 regions	101	Stocks traded, 2012	128
Nursing and midwifery personnel	102	Total reserves (including gold), 2012	129
Dentistry personnel	103	Foreign direct investment, positive, 2012	130
Pharmaceutical personnel	104	Foreign direct investment, negative, 2012	131
Hospital beds, by NUTS 2 regions, 2010 (per 100,000 inhabitants)	105	Portfolio equity, positive, 2012	132
Prevalence of HIV among adults aged 15–49	106	Portfolio equity, net inflows, negative, 2012	133
Alcohol consumption among adults aged over 15 years	107	Net adjusted disposable income of private households (PPCS), 2007	134
8. POLITICS	109	Gross domestic product (GDP) per inhabitant, 2010	135
Democracy: is it the best political system?	110	Change in gross domestic product (GDP) per inhabitant, 2008–10	136
Army rule: is it a good political system?	111	10. ENVIRONMENT	137
How interested are you in politics?	112	Carbon dioxide emissions (kt), 2009	138
Which political party would you vote for, on a scale of 1 (Left) to 10 (Right)?	113	Nitrous oxide emissions (kt of carbon dioxide equivalent), 2010	139
Have you ever joined in a boycott?	114	Methane emissions (kt of carbon dioxide equivalent), 2010	140
Have you ever attended a lawful demonstration?	115	Perfluorocarbon gas emissions (kt of carbon dioxide equivalent), 2008	141
Have you ever joined an unofficial strike?	116	Other greenhouse gas emissions – hydrofluorocarbons, perfluorocarbons and sulfur hexafluoride (kt of carbon dioxide equivalent), 2010	142
Have you ever occupied buildings/factories?	117	Sulfur hexafluoride gas emissions (kt of carbon dioxide equivalent), 2008	143
Do you belong to a welfare organisation?	118	Forest area (km ²), 2011	144
Do you belong to any religious organisation?	119	Energy use (kt of oil equivalent), 2010	145
Do you belong to any peace movement?	120	Energy production (kt of oil equivalent), 2010	146
9. ECONOMICS	121	Electricity production from renewable sources (kWh), 2010	147
Gross domestic product, 2012	122	Electricity production from coal sources (kWh), 2010	147
Gross domestic product increase, 2007–12	123	Electricity production from hydroelectric sources (kWh), 2010	148
Gross domestic product decline, 2007–12	124	Electricity production from natural gas sources (kWh), 2010	148
Credit by banking sector, 2012	125		
Number of listed domestic companies on national stock exchanges, 2012	126		

Electricity production from nuclear sources (kWh), 2010	149	Motor vehicles, 2012	174
Electricity production from oil sources (kWh), 2010	149	Passenger cars, 2012	175
Fossil fuel energy consumption, 2010	150	Railway lines (total route-km), 2011	176
Distribution of fossil fuel energy as a percentage of all energy consumption, 2010	151	Number of US dollar billionaires	177
Combustible renewables and waste, comprising solid biomass, liquid biomass, biogas, industrial waste and municipal waste (kt of oil equivalent), 2010	152	Homicides per 100,000 inhabitants, 2005	178
Distribution of combustible renewables and waste as a percentage of all energy use, 2010	153	Standardised death rate from suicide for population under 65, 2006–08	179
Total annual freshwater withdrawals (billion m ³), 2011	154	EU Human Development Index, 2007	180
Total renewable internal freshwater resources (billion m ³), 2011	155	12. POLICY	181
Terrestrial and marine protected areas, 2010	156	Money flow in the European Union (%)	182
Projected change in the number of tropical nights between 1961–90 and 2071–2100	157	Net payments into the EU budget	183
Vulnerability of European regions to climate change	158	Net payments received from the EU budget	184
11. SOCIAL COHESION	159	The EU budget by spending category	185
Individuals living below the national poverty line, 2000–12	160	Spending on competitiveness for growth and employment	186
Poverty head count at \$2 a day (PPP), 2004–08	161	Spending on cohesion for growth and employment	187
Gini index of income inequality	162	Spending on preservation and management of natural resources	188
Income share held by the most affluent 20%, 2000–12	163	Spending on citizenship, freedom, security and justice	189
Income share held by the least affluent 20%, 2000–12	164	Spending on EU as a global player	190
Vulnerable employment, 2011	165	Spending on administration	191
Population at risk of poverty after social transfers, 2008	166	Seventh Framework Programme, average funding per head	192
UN Human Poverty indicators, 2007	167	Potential increase in GDP per head by raising the employment rate of populations aged 20–64 to 75%, 2007	193
Internet users, 2011	168	The Lisbon Index, 2008 (average score between 0 and 100)	194
Fixed broadband internet subscribers, 2011	169	Change in the Lisbon Index, 2000–08 (percentage point change)	195
Broadband connections in households, by NUTS 2 regions, 2011	170	13. CONCLUSION	197
Secure internet servers, 2011	171	Europe at night	198
Telephone lines, 2011	172	REFERENCES	200
Mobile cellphone subscriptions, 2011	173	APPENDIX: SOURCES OF DATA	206
