TABLE OF CONTENTS

FOREWORD	12	
PREFACE	14	
INTRODUCTION	16	
CREDITS	18	
GEOGRAPHIC INHERITANCE	22	
Earliest Origin: Context of Geological Time	24	
Restless Earth: Formative Forces & Processes	26	
Restless Environment: Fluctuating Fortunes of the Gulf	28	
Unique Landscapes: Dunes & Sabkha	30	
Unique Landscapes: Coast & Mountains	32	
Climate Over Time: The Climate Today	34	
RESOURCE OF LIFE	36	
Ecology of Water	38	
Water Then & Now	40	
Water Crisis	42	
Water Future: Confronting the Water Crisis	44	
SEA TO SUMMIT	46	
Gulf Ecosystem	48	
Offshore Waters	50	
Shallow Water: Seagrass & Corals	52	
Mangrove Forests	54	
Coastal Habitats	56	
Wetlands: Al Wathba – The Pinkish Lake	58	
Sand Sheets & Sand Dunes	60	
Mountains & Wadis	62	
Life on the Wing: Regional Flyways	64	
The Elusive Houbara: Preserving Tradition Through Conservation	66	
Flamingos: The Elusive Breeders	68	
Biodiversity Conservation	70	
NATURAL CAPITAL	72	
Oil & Natural Gas Formation: The Geological Perspective	74	
Oil & Natural Gas History: The Long March to Modernity	76	
Oil & Natural Gas Economy: The Paradox of Plenty	78	
HUMAN JOURNEY	80	
Ancient Environments: Cretaceous to Late Miocene	82	
Earliest Peoples: Palaeolithic to Neolithic	84	
Oasis Settlements: The Bronze Age	86	
Iron Age to Pre-Islam: Development of Aflaj	88	
Islam to the Pre-Oil Era	90	
PATHWAYS	92	
Sprint Towards Modernity	94	
Growth of Abu Dhabi	96	
Population & Economy Growth	98	
Managing Growth	100	
Pathways to Sustainability	102	

ABU DHABI CARTOGRAPHY 104

GEOGRAPHIC INHERITANCE

Abu Dhabi Emirate: Geographic Inheritance	106
Regional Landforms: Elevation & Bathymetry	108
Regional Landforms: Tectonic Plate Boundaries & Faultlines	110
Earthquakes: Seismic Events & Tectonic Plate Boundaries . . .	112
Geology: United Arab Emirates	114
Inland Landforms: Dunes & Wadis	116
Liwa Dunes: Barchanoid Dunes & Interdunal Sabkhas	118
Coastal Landforms: Salt Domes (Diapirs) & Mesas (Zeugen)	120
Coastal Landforms: Tidal Influenced	122
Historic Sea Levels: Changing Arabian Gulf & Coastline	124
Islands: Abu Dhabi Archipelago	126
Soils: Soil Great Groups of Abu Dhabi	128
Vegetation: Vegetation Communities of Abu Dhabi	130
Land Use Suitability: Irrigated Agriculture	132
Land Use Suitability: Forestry & Wooded Parkland	134

RESOURCE OF LIFE

Hydrology: Abu Dhabi Surface Water Resources	136
Hydrogeology: Aquifers & Water Resources	138
Groundwater: Depth & Water Quality Monitoring	140
Groundwater: Table of Shallow Aquifer (above MSL)	142
Groundwater: Salinity of Shallow Aquifer	144
Groundwater: Change in Shallow to Medium Deep Aquifer from 2005 to 2008	146
Water Infrastructure: Desalination, Supply, Distribution & ASR Projects	148
Precipitation: Rainfall Patterns & Measurements	150

SEA TO SUMMIT

Marine Habitats: Types & Distribution	152
Marine Water Quality: Mean Annual Values, 2008	154
Commercial Fishing Areas: Tarad Boats, Hadaq Fishing Method	156
Commercial Fisheries: Fish Landings by Site	158
Arabian Gulf Sailfish: Migration & Behaviour	160
Marine Biodiversity: Dugongs; Marine Turtle Foraging & Nesting . .	162
Geckos & Lizards: Arabian Desert Gecko & Short-snouted Sand Lizard; Coastal & Island Distribution	164
Gazelle, Oryx & Leopard: Distribution	166
Greater Flamingo: Distribution & Observations	168
Bird Habitats: Important Avian Areas	170
Houbara: Asian Houbara Distribution & Population	172

NATURAL CAPITAL

Oil Resources: Oil & Gas Fields, Synclines & Anticlines	174
---	-----

HUMAN JOURNEY

Palaeontological, Archaeological & Historical Areas: Site Density	176
Archaeological Periods: Earliest Humans	178
Historic Buildings: Architecture of the Past	180
Late Miocene Fossil Sites: Ancient Fossils	182

PATHWAYS

Air Quality: Levels of Particulate Matter Exceedance	184
Population: 2005 Census & Projected Increase in Urban Population 2030	186

BIBLIOGRAPHY 188
