

**CARTHA – *On The Form of Form***  
was developed for the 2016  
Lisbon Architecture Triennale  
as an Associated Project. Issues  
I, II and III of the cycle were  
presented in Lisbon in two exhibi-  
tions held at Mãe d'Água das  
Amoreiras during October  
and December 2016 as part of the  
official program of the Triennial.
