

Cologne Commentary on Space Law

in three Volumes

edited by

Professor Dr. Stephan Hobe, LL.M.

Director of the Institute of Air und Space Law,
Chair of Public International Law, European Law,
European and International Economic Law, University of Cologne

Dr. Bernhard Schmidt-Tedd

Head of the Legal and Business Support Space Agency,
German Aerospace Center (DLR), Bonn

Professor Dr. Kai-Uwe Schrogl

Director of the European Space Policy Institute, Vienna,
Institute of Political Science, University of Tübingen

Assistant editor

Dr. Gérardine Meishan Goh, LL.M.

Project Manager and Legal Counsel, German Aerospace Center (DLR), Bonn,
Lecturer, Institute of Air und Space Law, University of Cologne

Volume 1
Outer Space Treaty

Carl Heymanns Verlag 2009

Content

Table of Contents.....	V
Preface to the Cologne Commentary on Space Law.....	XV
Editors' Foreword.....	XVII
Preface to Volume I.....	XIX
List of Contributors.....	XXI
Table of Documents.....	XXV
Table of Cases.....	XXXIII
Abbreviations.....	XXXV
Text of the 1967 Outer Space Treaty.....	XXXIX
Historical Background.....	1
I. Introduction.....	2
II. Historical Context of the Negotiations.....	3
1. Aftermath of the Second World War and the Onset of the Cold War.....	3
2. Dawning of the Space Era.....	4
III. The Relevant Technological Development.....	6
1. Launch Technology.....	6
2. Artificial Satellites.....	8
3. Human Spaceflight.....	10
4. Scientific Probes.....	11
5. Spin-Offs.....	11
IV. Drafting History.....	12
V. Future Perspectives.....	14
Preamble.....	19
I. Introduction.....	20
II. Negotiations and Drafting History.....	20
III. Commentary.....	21
IV. Future Perspectives.....	24
Article I.....	25
I. Introduction.....	26
1. Objectives and significance of the provision.....	27
2. Regulation of other common spaces: Deep Seabed / High Seas, Antarctica, and regulation of airspace.....	27
II. Negotiations and Drafting History.....	29
III. Commentary.....	31
1. Scope of application: 'outer space, including the Moon and other celestial bodies'.	31

a)	Physical scope of application: delimitation of airspace and outer space, definition of a 'celestial body'	31
b)	Beneficiaries of the freedoms provided / Addressees of obligations.....	33
2.	Rights Granted.....	34
a)	Freedom of exploration and use	34
b)	Freedom of access.....	36
c)	Freedom of scientific investigation.....	36
3.	Limitation to Granted Rights.....	36
a)	The 'common benefit' clause (Article I paragraph 1)	36
b)	'for the benefit and in the interests of all countries'.....	38
c)	'as the province of all mankind'	38
d)	Specific Limitation Contained in Paragraph 3	39
e)	Limitations Outside Article I.....	39
4.	Legal Consequences of Article I paragraph 1	40
a)	Binding character of the 'common benefit' clause	40
b)	Summary of Interpretation	41
c)	Frequent State Practice as Means of Interpretation	41
IV.	Future Perspectives	43
	Article II.....	44
I.	Introduction	45
II.	Negotiations and Drafting History	46
III.	Commentary	48
1.	Methodology for Interpretation	48
2.	Analysis of the Terms of Article II	49
a)	'National Appropriation'	50
b)	'Claim of Sovereignty'.....	53
c)	'Use or Occupation'.....	53
d)	'Any Other Means'	54
3.	Non-Appropriation under Article II as a Rule of Customary International Law ...	55
a)	Claim of State Sovereignty over Parts of the Geostationary Orbit	55
b)	Private Claim for the Placing of a Satellite on an Asteroid	55
c)	Private Sale of Plots on the Moon.....	56
4.	Implications of the Meaning of Article II.....	58
IV.	Future Perspectives	58
1.	Natural Resources of the Moon and the MOON	59
2.	The Geostationary Orbit and the ITU Regulatory Regime.....	61
3.	Natural Resources of the Deep Sea-Bed and UNCLOS.....	61
4.	Assessment of the Three Models	62
V.	Conclusion.....	63
	Article III.....	64
I.	Introduction	64
II.	Negotiations and Drafting History	65
III.	Commentary	66
1.	Binding Character.....	66
2.	The meaning of 'activities'.....	66
3.	'maintaining international peace and security'	66
4.	The applicability of international law	67
5.	The applicability of the UN Charter	68
6.	Article III and other Articles of the Outer Space Treaty	69
IV.	Future Perspectives	69

Article IV.....	70
I. Introduction	71
II. Negotiations and Drafting History	72
III. Commentary	75
1. Ban on nuclear weapons or any other kinds of weapons of mass destruction (Paragraph 1).....	75
a) ‘not to place in orbit around the Earth any objects carrying nuclear weapons or any other kinds of weapons of mass destruction’	75
1) Nuclear weapons and any other kinds of WMD.....	75
2) Placing in orbit around the Earth.....	79
b) ‘install such weapons on celestial bodies, or station such weapons in outer space in any other manner’	79
2. Use of the Moon and other celestial bodies exclusively for peaceful purposes (Paragraph 2).....	81
a) Moon and other celestial bodies	81
b) ‘exclusively for peaceful purposes’ (Sentence 1).....	82
c) Prohibition of the establishment of military bases, installations and fortifications, the testing of any type of weapons and the conduct of military manoeuvres on celestial bodies (Sentence 2).....	84
d) Use of military personnel (Sentence 3).....	84
e) Use of any equipment or facility necessary for peaceful exploration (Sentence 4).....	85
3. Article IX in the context of Article IV.....	85
4. Interrelation with other space law provisions.....	86
5. Subsequent State practice and development of doctrines	87
a) State practice.....	87
1) Multilateral.....	88
2) Bilateral	89
b) Doctrines	90
1) United States of America	90
2) Russia.....	91
3) People’s Republic of China	92
4) Europe.....	92
5) NATO	93
IV. Future Perspectives.....	93
Article V.....	94
I. Introduction	95
II. Negotiations and Drafting History	95
III. Commentary	96
1. Definition: ‘astronauts’	96
2. Definition: ‘Envoys of mankind’	98
3. Definition: ‘all possible assistance’	98
4. Astronauts in distress on earth	100
5. The obligations to provide relevant information.....	101
IV. Future Perspectives.....	101
Article VI.....	103
I. Introduction	104
II. Negotiations and Drafting History	105
III. Commentary	106
1. International responsibility for national activities (sentence 1)	107
a) Activities in outer space.....	107
1) ‘outer space’ (delimitation).....	107

2) 'In' outer space.....	107
3) Activity	109
b) National activities.....	109
c) Governmental agencies.....	110
d) International intergovernmental organisations	110
e) International responsibility.....	111
1) Responsibility for activities carried on by governmental agencies.....	111
2) Responsibility for activities carried on by international intergovernmental organisations.....	111
3) General aspects of international responsibility	116
f) Conformity of national activities with the Outer Space Treaty provisions.....	116
2. Authorisation and Supervision of non-governmental activities (sentence 2).....	117
a) Activities of international intergovernmental organisations	117
b) Appropriate State party to the Treaty.....	117
c) Authorisation.....	117
1) Contents.....	117
2) Implementation of authorisation requirements.....	119
d) Continuing Supervision	119
e) National space legislation.....	120
3. International Responsibility for activities carried on by international organisations (sentence 3).....	122
IV. Future Perspectives.....	123
Article VII.....	126
I. Introduction	128
1. Responsibility and Liability.....	128
2. International State Liability	129
II. Negotiations and Drafting History	130
1. Negotiations on Liability.....	130
2. Preliminary Drafts on Liability	132
3. The 1963 Declaration	133
4. Consensus on Liability	133
III. Commentary	134
1. State Liability for Space Activities Under International Law	134
2. Status and Scope of Article VII	135
a) Liability of Launching State	136
b) Concept of Launching State.....	136
c) The Concept of Launching State and Liability	137
d) UN COPUOS Working Group on Definition of Launching State	138
3. Registration of Space Objects	139
a) Effect of Registration	139
4. Damage Caused by Space Object	139
a) Definition of 'object'.....	139
b) Definition of 'outer space'.....	140
c) Destination of object.....	141
d) Damage	141
5. Causation.....	141
a) Direct and Indirect Causation.....	141
6. Liability.....	142
a) Extent of Liability	142
b) General and Special Rules of Liability	142
7. Application of Treaty.....	143
a) Application in Practice	143

b) Claims Procedure and State Practice	143
1) Claims under Domestic Law	144
2) Effect of the Liability of the Launching State on National Legislation.....	144
IV. Future Perspectives	144
Article VIII	
I. Introduction	146
II. Negotiations and Drafting History	147
1. Article VIII Outer Space Treaty	149
2. Later Developments	149
III. Commentary	150
1. Registry / Object launched into outer space (Article VIII, sentence 1 part 1).....	150
a) Object launched into outer space.....	150
b) State of registry	151
c) Obligation to register nationally.....	152
1) General.....	152
2) Launching State.....	152
3) Attribution of space objects to States	153
4) Space debris and non-functional space objects	153
d) Transfer of ownership in orbit versus delivery in orbit	155
2. Jurisdiction and control (Article VIII sentence 1 part 2).....	156
a) Definition: 'jurisdiction and control'	157
b) Obligation to exercise jurisdiction and control.....	158
c) Applicability of the 'genuine link' principle?	158
d) Legal consequences of jurisdiction and control	159
e) Innocent passage through foreign airspace.....	160
f) International organisations exercising jurisdiction and control?.....	162
3. Ownership (Article VIII sentence 2)	163
a) Objects launched into outer space, including objects landed or constructed on a celestial body.....	164
b) Effect of ownership and State responsibility	164
4. Return of objects (Article VIII sentence 3).....	165
5. Establishment of a National registry	165
6. Subsequent State Practice	166
IV. Future Perspectives	166
Article IX.....	
I. Introduction	169
II. Negotiations and Drafting History	170
III. Commentary	171
1. The principle of 'co-operation'	174
2. The principle of 'due regard'	175
3. The notion of 'corresponding interests'	176
4. The Protection of the Outer Space Environment	176
a) 'Harmful contamination'.....	176
b) Inter-relation with International Environmental Law.....	177
c) International Efforts to Protect the Outer Space Environment.....	178
d) Relevant National Legislation	179
5. The Consultation Mechanism	179
a) A Possible Code of Conduct?.....	180
b) State Responsibility in Article IX	181
IV. Future Perspectives	182

Article X.....	183
I. Introduction	184
II. Negotiations and Drafting History	184
III. Commentary	185
IV. Future Perspectives	188
Article XI.....	189
I. Introduction	190
II. Negotiations and Drafting History	192
III. Commentary	194
1. Comparative review of the ‘duty of information’ in international treaties	194
a) The Antarctic Treaty.....	194
b) The Law of the Sea	194
c) The Moon Agreement	195
2. Obligations under Article XI.....	195
a) Addressee of the obligation to disclose information	196
b) Recipients of the disclosed information	196
c) Information to be disclosed	196
d) Modalities of disclosure.....	197
e) Legal Binding Effect.....	198
f) Links to other Outer Space Law provisions.....	199
3. Review of the implementation of Article XI of the Outer Space Treaty and possible developments in the future.....	200
a) The role of Article XI in the context of registration requirements	201
b) Article XI and the Peaceful Use of Outer Space	202
c) Other uses of Article XI	203
d) Implementation through national space legislations	203
4. Further relations with current concerns in outer space activities and possible recommendations.....	205
IV. Future Perspectives	205
Article XII	207
I. Introduction	208
II. Negotiations and Drafting History	208
III. Commentary	209
1. ‘Stations, installations, equipment and space vehicles’	209
2. ‘On the Moon and other celestial bodies’	210
3. ‘Shall be open’	210
4. ‘Representatives of other state parties’	210
5. ‘On a basis of reciprocity’	211
6. ‘Reasonable advance notice of a projected visit’	211
7. ‘Appropriate consultations’	211
8. ‘Maximum precautions’	212
9. Analogous State Practice	213
IV. Future Perspectives	213
Article XIII	215
I. Introduction	216
II. Negotiations and Drafting History	217
III. Commentary	217
1. ‘International organisation’	217
2. Distinction between 1 st and 2 nd Sentence	218

3. Pacta tertiis nec nocent nec prosunt	220
4. 'Practical questions'	220
IV. Future Perspectives	221
Articles XIV–XVII	223
I. Introduction	224
II. Negotiations and Drafting History	225
III. Commentary	225
1. Article XIV: Signature, Ratification, Depository Governments, Entry into Force and Treaty Registration.....	225
2. Articles XV and XVI: Amendment and Withdrawal	226
3. Article XVII: Authenticity	227
4. Omission of a Dispute Settlement Clause.....	228
IV. Future Perspectives	229
Bibliography.....	231
Index	251
