FIGURES

| | | |
|------|-------------------------------------------------------------------------------------------------------------------------------|----|
| 0.1 | Recent depictions of the North–South divide by selected authors | 2 |
| 0.2 | The 1980 Brandt Line and the northern and southern hemispheres | 3 |
| 0.3 | The communist world, the 1946 Iron Curtain, and the 1980 Brandt Line | 4 |
| 0.4 | Misleading geography of the East–West rivalry | 5 |
| 0.5 | The 1980 Brandt Line in the light of GNI per capita (constant 2010 USD) in 1980 – true or false? | 11 |
| 0.6 | The 1980 Brandt Line in the light of HDI in 1980 – true or false? | 12 |
| 0.7 | The 1980 Brandt Line in the light of HDI in 2017 – true or false? | 13 |
| 0.8 | The 1980 Brandt Line and selected groups of countries in 2019 | 14 |
| 0.9 | The 1980 Brandt Line and the division of the world into colonies and non-colonies | 16 |
| 0.10 | Selected Cold War ways of delimiting development – underdevelopment lines | 18 |
| 0.11 | Globalization and development – underdevelopment lines. Time taken to cross the Atlantic from 1492 to 1996 | 20 |
| 0.12 | Globalization and development – underdevelopment lines II. Time taken to travel between Paris and Marseille from 1853 to 2001 | 20 |
| 0.13 | World population growth and development – underdevelopment lines from 1800 to 2019 | 21 |
| 0.14 | North vs. South population growth and development – underdevelopment lines from 1913 to 2015 | 22 |
| 0.15 | World GDP and GDP per capita and development – underdevelopment lines from 1960 to 2017 | 23 |
| 0.16 | North–South GDP and development – underdevelopment lines from 1960 to 2017 | 24 |
| 0.17 | North–South GDP per capita and development – underdevelopment lines from 1960 to 2017 | 25 |
| 0.18 | Growth in the number of United Nations (UN) member states and independent states, and development – underdevelopment lines | 26 |
| 0.19 | The 1980 Brandt Line and changes to the world political map in 1945–2018 | 27 |

| | | |
|------|---------------------------------------------------------------------------------------------------------------------|----|
| 1.1 | A common legend for all series of maps showing GDP and GDP per capita (1AD–2008) | 31 |
| 1.2 | World GDP and GDP per capita (1AD–2008) in 1990 international dollars | 32 |
| 1.3 | The first series of maps for 13 countries and regions: the regions described by the data on the maps for 1AD–2008 | 34 |
| 1.4 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1 AD | 34 |
| 1.5 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1000 | 35 |
| 1.6 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1500 | 35 |
| 1.7 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1600 | 36 |
| 1.8 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1700 | 36 |
| 1.9 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1820 | 37 |
| 1.10 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1870 | 37 |
| 1.11 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1913 | 38 |
| 1.12 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1937 | 38 |
| 1.13 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1950 | 39 |
| 1.14 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1960 | 39 |
| 1.15 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1973 | 40 |
| 1.16 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1980 | 40 |
| 1.17 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 1990 | 41 |
| 1.18 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 2000 | 41 |
| 1.19 | The first series of maps for 13 countries and regions: GDP and GDP per capita in 2008 | 42 |
| 1.20 | The second series of maps for 22 countries and regions: the regions described by the data on the maps for 1500–2008 | 42 |
| 1.21 | The second series of maps for 22 countries and regions: GDP and GDP per capita in 1500 | 43 |
| 1.22 | The second series of maps for 22 countries and regions: GDP and GDP per capita in 1600 | 43 |
| 1.23 | The second series of maps for 22 countries and regions: GDP and GDP per capita in 1700 | 44 |
| 1.24 | The second series of maps for 22 countries and regions: GDP and GDP per capita in 1820 | 44 |
