

GIOACHINO

ROSSINI

EDITION 50CD

Demonstrating the breadth of Rossini's achievements in his dazzling public career and in the lengthy retirement he enjoyed from the age of just 37, **THE ROSSINI EDITION** embraces comic and serious operas in Italian and French – including several rarities – choral works, songs, chamber music and piano pieces. Tracing six decades of evolution in musical scholarship and performing style, these 50 CDs feature such singers as Maria Callas, Marilyn Horne, Montserrat Caballé, Beverley Sills, Joyce DiDonato, Cecilia Bartoli, Anna Netrebko, Rockwell Blake and Samuel Ramey, while among the conductors are Antonio Pappano, Carlo Maria Giulini, Claudio Scimone, and the Rossini specialist *par excellence*, Alberto Zedda.
