CONTENTS

Preface xv

PART I

The Changing Media Landscape 1

1 Introduction to Mass Communication Theory 3

- The Concept of Mass Communication 4
- The New Media Environment 4
- The Role of Theory 11
- The Goals of Mass Communication Theory 12
- The Effects of Mass Communication 12
- Changes in Mass Communication Theory 14
- Critical Theory and Cultural Studies 15
- Theoretical Questions Raised by Changes in the Media Environment 16
- Conclusions 17
- Key Terms 17
- Discussion 19
- References 19

PART II

Scientific Method and Models of Mass Communication 23

2 Scientific Method 25

- Imagination in Science 26
- The Cumulative Nature of Science 27
- Scientific Generalizations about Reality 29
- Scientific Hypotheses 30
- Safeguards against Bias and Fraud 30
- Unintended Findings and New Directions 31
- Ethics and Fraud in Science 32
- The Process of Scientific Inquiry 34
- Acquiring Empirical Data 35
- Reasoning about the Data 40

Conclusions 42
Key Terms 43
Discussion 44
References 44

3 Models in Mass Communication Research 47

Functions of a Model 48
Evaluation of a Model 48
Some Early Communication Models 49
Conclusions 67
Key Terms 68
Discussion 69
References 69

PART III

**Perception and Language Issues
in the Mass Media 71**

4 The Role of Perception in Communication 73

Influences on Perception 74
Perception and Mass Communication 78
Other Selective Processes 80
Schema Theory 82
Subliminal Perception 83
Perception of Pictures 85
Complexity of Messages 86
Conclusions 87
Key Terms 87
Discussion 88
References 88

5 Problems in Encoding 91

Characteristics of Language 91
Misuses of Language 97
Three Kinds of Statements 100
Slanting 101
Studies of Objectivity 102
Implications for Encoding 105
Conclusions 105
Key Terms 106

| | |
|------------|-----|
| Discussion | 106 |
| References | 107 |

6 Analysis of Propaganda: First Theories of Decoding and Effects 108

| | |
|-------------------------------------|-----|
| What Is Propaganda? | 108 |
| Wartime Propaganda | 110 |
| Propaganda Education | 110 |
| The Propaganda Devices | 111 |
| Effectiveness of Propaganda Devices | 123 |
| The Bullet Theory | 125 |
| Conclusions | 126 |
| Key Terms | 126 |
| Discussion | 127 |
| References | 128 |

PART IV

The Social-Psychological Approach 131

7 Cognitive Consistency and Mass Communication 133

| | |
|--|-----|
| Heider's Balance Theory | 134 |
| Newcomb's Symmetry Theory | 134 |
| Osgood's Congruity Theory | 136 |
| The Role of Media Gatekeepers | 141 |
| Festinger's Theory of Cognitive Dissonance | 142 |
| Conclusions | 146 |
| Key Terms | 147 |
| Discussion | 148 |
| References | 148 |

8 Theories of Persuasion 151

| | |
|---|-----|
| The Concept of Attitude | 152 |
| History of Attitude-Change Research | 153 |
| Specific Techniques of Attitude Change | 155 |
| Inoculation Theory | 163 |
| The Functions of Attitudes | 166 |
| Attitudes and Behavior | 168 |
| Classical Conditioning of Attitudes | 172 |
| Process Models of Persuasion | 173 |
| Applications of Persuasion Theory in the Mass Media | 178 |

x CONTENTS

Conclusions 179
Key Terms 179
Discussion 181
References 182

9 Groups and Communication 185

Sherif's Research on Group Norms 186
Asch's Research on Group Pressure 187
How Norms Are Developed 189
Lewin's Food Habits Studies 189
Groups and Political Attitudes 190
The Social Identification Model 192
Groups as Instruments of Change 193
Groups and Mass Communication 194
Audience Segmentation 195
Conclusions 197
Key Terms 197
Discussion 198
References 199

10 Mass Media and Interpersonal Communication 201

The Mass Media and Voting Behavior 201
The Role of the Community in Decision Making 203
Criticisms of the Two-Step Flow 206
Diffusion of Innovations 207
Conclusions 214
Key Terms 214
Discussion 215
References 215

PART V

Mass Media Effects and Uses 217

11 Agenda Setting 219

The Chapel Hill Study 220
Precursors of the Hypothesis 221
A Change in Thinking 222
The Media Agenda and Reality 223

| | |
|------------------------------------|-----|
| The Charlotte Study | 224 |
| Experimental Evidence | 225 |
| Priming | 226 |
| The Obtrusiveness of Issues | 227 |
| Abstract and Concrete Issues | 228 |
| Time Needed for Agenda Setting | 229 |
| The Role of Exposure | 229 |
| Agenda Building | 230 |
| The Need for Orientation | 231 |
| Who Sets the Media Agenda? | 231 |
| Presidential Agendas | 233 |
| How Does Agenda Setting Work? | 235 |
| The Second Level of Agenda Setting | 236 |
| Applications of Agenda Setting | 238 |
| Conclusions | 239 |
| Key Terms | 240 |
| Discussion | 241 |
| References | 241 |

12 The Knowledge-Gap Hypothesis 245

| | |
|--|-----|
| The Role of the Mass Media | 246 |
| Operational Forms of the Hypothesis | 247 |
| Possible Reasons for a Knowledge Gap | 249 |
| The Knowledge Gap in Public Affairs | 250 |
| <i>Sesame Street</i> | 251 |
| Refinement of the Hypothesis | 253 |
| The Generality of the Hypothesis | 255 |
| The Knowledge Gap and the New Technology | 255 |
| New Developments in Knowledge-Gap Research | 256 |
| Criticism of the Hypothesis | 257 |
| Overcoming Knowledge Gaps | 258 |
| Conclusions | 258 |
| Key Terms | 259 |
| Discussion | 260 |
| References | 260 |

13 Effects of Mass Communication 262

| | |
|--|-----|
| General Trends in Effects Theory | 262 |
| Specific Theories of Media Effects | 268 |
| A Particular Area of Theory—Effects of Television Violence | 283 |
| Conclusions | 286 |
| Key Terms | 286 |
| Discussion | 288 |
| References | 289 |

14 Uses of the Mass Media 293

- Beginnings of the Uses and Gratifications Approach 293
- Uses and Gratifications in an Election Campaign 294
- Classifying Individual Needs and Media Uses 295
- Criticisms of the Uses and Gratifications Theory 297
- Empirical Tests of the Uses and Gratifications Theory 298
- New Technology and the Active Audience 299
- Recent Developments in Uses and Gratifications Research 301
- Conclusions 302
- Key Terms 302
- Discussion 303
- References 303

PART VI

Media Channels 307

15 Mass Media in Modern Society 309

- Four Theories of the Press 309
- The News Media as Agents of Power 318
- Functions of the Media 321
- Values and Ideology in Support of the Society 323
- Our Mental Picture of the World 325
- Popular Taste and Social Action 326
- Social Conformism 327
- Conditions of Media Effectiveness 328
- Enduring Values in the News 330
- Making News: The Social Construction of Reality 332
- Controlling the News Staff and Maintaining the Status Quo 333
- Possibilities for Policy Deviation 335
- Sources Rating Reporters 337
- Mass Communication and Sociocultural Integration 338
- Conclusions 342
- Key Terms 342
- Discussion 343
- References 344

16 Media Chains and Conglomerates 347

- Television 347
- Newspapers 350
- Media Synergy 358
- Effects of Ownership on Media Content 359

| | |
|-------------|-----|
| Conclusions | 362 |
| Key Terms | 362 |
| Discussion | 363 |
| References | 363 |

17 Theories of Cyber Communication 366

| | |
|---|-----|
| Key Concepts in Digital Communication | 368 |
| Application of Existing Theories to Cyber Communication | 372 |
| New Theory and Research Aimed at Cyber Communication | 379 |
| Conclusions | 384 |
| Key Terms | 384 |
| Discussion | 386 |
| References | 386 |

PART VII

Bringing It All Together 389

18 The Overall Picture 391

| | |
|--------------------------------------|-----|
| The Model and Communication Research | 391 |
| Mass Media Research | 396 |
| Conclusions | 398 |
| Reference | 399 |

Index 401
